NOTICE OF PREPARATION OF THE WILMINGTON REDEVELOPMENT PLAN AMENDMENT - CITY OF LOS ANGELES (FOURTH DISTRICT)

Consistent with your Board's instruction of February 4, 1997 regarding the preparation of reports on proposed redevelopment projects by the County's cities, and pursuant to the Policies and Procedures governing the County's approach to city redevelopment activities adopted by your Board on October 8, 2002, we are advising your Board that the City of Los Angeles sent us a Notice of Preparation of a Draft Environmental Impact Report for the adoption of an Amendment to the Harbor Industrial Center Project Area Plan.

The purpose of the proposed amendment is to add territory (2,487 acres) to the Project Area. A map of the existing and proposed expansion areas is attached. Further information will be available in the Agency's Preliminary Report. The Preliminary Report will include the Agency's analysis of blight, assessment of proposed projects required to eliminate the remaining blight, and a description of proposed project costs. Upon receipt of this document from the Agency, we will send your Board another report, including a financial analysis and a determination of whether the proposed Amendment is generally consistent with Community Redevelopment Law.

If you have any questions or need further information, please contact me, or your staff may contact Bob Moran (213) 974-1130, or via email at rmoran@ceo.lacounty.gov.
